Letter No. 58 dated 27th July 1903

form

the Deputy Commr

Kadur District.

In reporting upon the death of two of the Chattram servants at Kadur, Viz, one Davarappje man on a salary of Rs 1-8-0 and a Durwan who was getting Rs 2 per mensem, both being paid from the funds of the Muzrai Basa Chattram at Kadur,

The Dy Comr, Mr Sparkes,

stated in his no 1697 dated Flag A

8th May 1902, that the

Devarchaja appointment had

to be discontinued as laid

down in the revised Sastik

Patti framed and issued

by Govt in 1898, and that the

Purohit's appointment which

had been created for reading

Purana in the Kasivisweswara

temple at Kudur, might

also be abolished, as the

intended service was not

appreciated by the townspeople —

2. While thus proposing

the abolition of the two

appointments as noted above

the Dy Comr recommended

that the Emoluments of Rs 42

per

per annum thus apportion might be sanctioned for expenditure in connection with the annual Ramotsavam celebrations in the Varada-Gopalaswamy's temple at Basavanahalli in the Chikkanayakan Taluk

3. The D.C. further recommended that the annual Taxdick cash grant of Rs 10-2-4, which had been endowed to the Channa-Keshavaswamy Temple at Turkere and has fragment of which had been stopped for a long time on account of the image therein having been broken and the other image

practically abandoned,
might also be sanctioned
for the Ramotsavam cele-
-brations referred to above

4. In regard to the Devarupiya
appointment the Devam was
pleased to record the following
orders on the 12th June 1102 :- Item B

" If there is a deserving
man let the service be
continued - I am not
in favour of diverting
Chattram allowances
to other purposes ".

And as regards the payment
of the allowance of Rs 10-2-4,
which had been endowed
to the Chamakkiswara Devaru
Temple at Tarikere, he was
pleased to observe that if
used profitably in another Item C.
temple

temple we might consider the proposal."

4. The orders were accordingly communicated to the Dy Comm^r in this office Henry D. ~~Letter~~ Docket no. 1068 dated 20th May Ft 92-92 November 1902, observing (i) that the vacancy caused by the death of the Purohit need not be filled up (ii) that if there was a deserving man to do Dewatcheme in the Chattram, the service should be continued and (iii) that in consideration of the neglected condition of the temple at Tuticorin, the Board's grant-

ground would have also
remained to Govt under
the rules in force - But
as regards this (third)
point, it was further
observed that, if however,
the savings of Rs 10-2-0
in question could be used
profitably in any other temple,
the same would be considered -

5. In the meantime a petn
had been received in this
Office from Govindachar
and Narasimhachar, sons
of the deceased Devarajiya
Gowda, applying for the post
held by their father - This
petition was also been forwarded
to the Dy Comm^r for report -

6. With reference to these
two Communications from
this

this office the Dy Comr
submit-
ted an enquiry report
in this letter under reply
stating that he has appointed
Ramachandra, one of the
sons of the deceased Dasaya
-haja Naik, to do Puja
service on the pay attached
to it viz Rs 1-8-0 per mensem

[note:- this disposes of one question]

7 As regards the
allowance of Rs 10-12-0 per
annum being the Devadik granted
to the Channakesava Swamy
temple at Belur, the
Dy Comr reports, that
it may be resumed by
Govt as no worship is
carried on in it and
as there is no present like-
-lihood of the temple being
restored. But the ad-
Hoc

the same time recommends
that this amount, together
with the sum of Rs 24 saved
in the Kadur Chattram, by
the abolition of the post of
Gumasta, may be transferred
to the Sri Venu Gopalaswami
Temple at Basavanahalli,
as proposed by our Chairman -

Submitted

In support
of his recommendation
he quotes certain
precedents of Chattram
Funds having been appropriated
for such purposes -

Deputy Secretarys remarks:-

8 The following 3 items
of money taken from
different Taluks
of the Kadur District
have been asked

for by the Deputy Commissioner of Kadur, in order to provide Funds for the celebration of Ramotsavam in the temple of Venu Gopal Swami at Basavana halli, which is a suburb of the Chikmagalur Town:

Per annum

(i) Rs 18-0-0.... From the Kadur Anna Chattram, being the pay at Rs 1-8-0 per mensem of the Devar Puje Brahmin, rendered vacant by the death of the former incumbent.

(ii) Rs 24-0-0 From the same Anna Chattram, being the pay at Rs 2/- per mensem of the Purohit, who is reported to have died.

(iii) Rs 10-2-0 Being the cash

Total Rs 52-2-0

Jasodh grant of the Govindakesava devaru temple at Jarikere, which amount is now being brought under savings on account of the idol being broken and no worship being performed in the temple.

9 As regards the 1st, the son of the deceased Devarpuje Brahmin has under orders from this Office, been ~~appointed~~ appointed by the Deputy Commissioner to do the service and that amount is therefore not available.

10 As regards the 2nd point, it is found that in the revision of the Chattram made in 1898 this allowance

of Rs 2/- per mensem was not included in the regular establish-ment charges but was given as a special case to the former incumbent, who had been getting an allow-ance of one seer of rice per diem previously. That man having now died, the allowance of Rs2/- per mensem should be treated as savings to the Chattram and not applied for other purposes. The Chattram which is situated at an important Railway Station, has a cash grant of only Rs 50-2-0 per mensem, out of it Rs 10-8-0 are spent

on establishment and an allowance of one seer of rice is given to a certain temple at Uppahalli in the Chikmagalur Taluk. There is therefore a balance of only about Rs 35 available for the feeding of travellers, and I am of humble opinion that any amount saved should be held as savings for periodical repairs etc. This amount of Rs 24 therefore is not available The Deputy Commissioner quotes the case of the Uppahalli temple and says that there are other precedents of Chatram funds being given to temples etc

I beg respectfully to submit that while it is impossible to withdraw or cancel such allowances previously sanctioned it is not desirable to create new allowances particularly from Chathram funds, which are required for the feeding of travellers and for repairs to the buildings concerned.

11. On the 3rd point, there seems to be no objection to give the Basavanahalli temple the annual grant of Rs 10-2-0 belonging to the Chennakesavadevara temple at Jarikere which is not being utilized. It has however to be pointed out that in case

the temple which is
in the Town of Tarikere
is in future brought
into working order
by any local movement,
the cash grant above
referred to may have
to be restored to that
Institution. However,
if the Dewan is so
pleased the cash
allowance of Rs 10-2-0
per annum may be
resumed & transferred
to the Basavanahalli
temple as recommended
by the Deputy Comr.

12. Finally I beg to
point out that the
Dy Commissioners
recommendations
in the present correspondence
are made with the
view of providing
funds for the
celebration of

Ramotsavam festivities in the Basavanahalli temple, which is heretofore (These festivities were a luxury,) may be carried out by local subscriptions in the Chikmagalur Town, as an extension of which the Basavana-halli temple is situated.

Quite so - but we need not say anything about it

Kadur District Deputy Commissioner's
Office
Dated, Chikmagalur 31 May 1903

From

H. H. Sparkes Esquire,
Deputy Commissioner,
Kadur District.

To L. Ananta Sami Rao Esquire B.A.
Deputy Secretary to Government
of Mysore, Muzrai Department.

Sir,

I have the honor to report that the two marginally noted appointments in the Government Anna Chattram at Kadur have become vacant consequent on the death of the incumbents. The Saadik Patti framed for the Chattram in 1898 ordered the discontinuance of the services of the Dewar Pujari after the life-time of the then holder of the appointment viz:- Shamachar. Payment on this head has therefore been discontinued.

1 Dewar Pujari
2 Puranik

As regards the appointment of Puranik I have to state that the late incumbent was doing

doing nothing although the allowance paid to him was intended as a remuneration for reading Puranas in the Kesava Devaru temple at Kadur. The continuance of the appointment does not seem to me to be called for. The intended service is not appreciated by the town-people and its abolition will not cause any hardship, the vacancy having been caused by the death of the incumbent. I beg to suggest therefore that the appointment may be abolished.

By the proposed reduction of the Chattram Establishment as specified above a savings of Rs 42/- will be effected annually. This sum, I beg to recommend may be sanctioned for expenditure in connection with the annual Ramoth-sawam celebrations in the Venu-Gopala Swami temple at Basavanhalli (Chikmagalur). The Inspector's Memo dated 2nd September is contained in the records setting forth in detail the grounds for such recommendation and I have only to add that I concur with his opinion expressed therein.

Another

Another item of saving amounting to Rs 10-2-0 annually has been accruing by the non-service of Puja in the Sri Chenna Kesava Devaru temple at Sankeri, the image in which is reported to have been broken for a long time past and the temple itself is practically abandoned. The grant allowed to the same is being lapsed to Government. The Amildar reports that it is not likely that the temple will be restored and that therefore there is no objection to the utilization of the grant to any other purpose. I beg to recommend that this annual allowance of Rs 10-2 ~~to~~ may also be sanctioned for the Ramotsavam celebration of the Basavanhalli temple mentioned above.

The Dharmadarsies of the Venugopalaswami temple have prayed for a grant of Rs 100/- annually for the purpose. The temple is endowed only with land inam bearing one-

assessment

assessment of Rs 35/-. This is in the possession of the Arelak and the income derived is very small I think for the present a sum of Rs 52/- may be sanctioned as it involves no extra cost to Government, but will be met by savings effected elsewhere. The celebrations are held on a large scale for 10 days every year and on one day a (Santa-) -arpani (feeding) to held the money for which is at present raised by private subscriptions in respect of which however, great difficulty is felt. I solicit sanction to the grant as an encouragement and a help to an undertaking which is popular and appreciated by the people

Two files of Vernacular Correspondence ending with the Dhegvai Officer's Memo dated 6th May 1902 are enclosed for reference and kind return.

Sir,

Adverting to your docket No 1068/92-92 dated 20th November 1902, regarding the proposal to make a grant of Rs. 52. 2-0 per annum to the Sri Venugopalaswami temple at Basavankatti (Chikmagalur) I have the honor to state that as directed the Puja service of Sri Anjaneya Swami attached to the Government Chatram at Kadur has been revived and one Govindachar, a son of the old Pujari, has been appointed to the Pujaiship on a pay of Rs 1-8-0 per mensem paid from the Chatram allowance. The idol of Sri Anjaneya Swami is at present installed in a Mantapam on the western side of the Honda in front of the Fort, close to the Government Chatram building and the Pujari has been directed to continue the Puja. The disposal of Govindachar's petition referred to in your docket No 1205/Inam-792-92 dated 26th November 1902

2 The allowance of Rs 10. 2-0 per annum sanctioned for the Sri Chenna Kesava Devasa temple

temple at Tarikere may be resumed to Government as no worship is carried on in it and there is no present likelihood of the temple being restored. I would at the same time strongly recommend that the above amount together with the sum of Rs 24 / saved in the Kadim Chatram by the abolition of the post of Puranik provided for in the revised Jasdik Patti may be transferred as proposed by Mr. Shankar, to the Sri Venugopala-Swami Temple at Basavanhalli which enjoys no cash grant at present. There is precedent for such appropriation in the instance of the Sri Chendra Mouleswara temple at Uppahalli in the Chikmagalur Taluk to which a nice allowance of one seer per day (Rs 3 per mensem) is made from the Kadim Chatram allowance, as per sanction conveyed in Government Proceedings no 787 dated 30th January 1896. Similar grants have, I am told, been made also from the funds of the Kalasa temple in the Mudgere Taluk

Rs 18/- per annum, from the Kadur Amta

Anna Cha Kkam, being the pay at Rs 1-8-0
per mensem of the Devar Puje Brahmin's appoint-
ment rendered vacant by the death of the
former incumbent.

(ii) Rs 24/- per annum from the same Anna Chakkam
being the pay at Rs 2 per mensem of the
Puvanik. who is reported to have died.

4(iii) Rs 10 1/2 per annum, being the cash Tasdik
Grant of the Channakesava Devaru temple
at Tarikere which amount is now being
brought under Savings on account of the
idol being broken and no worship being
performed in the temple

2. As regards the 1st item,
it is observed that
Govindachar, son of the deceased
Devarpuje Brahmin, has
under Govt order no 1068
Mus 792-92
dt 20th Nov. 1902, been appointed
by the Dy Comm to perform
the service and that amount

is therefore not available

3. As regards the 2nd item, it is found that in the revision of the Chathram made in 1898, this allowance of Rs 2/- per mensem was not included in the regular establishment charges but was given as a special case to the former incumbent who had been getting an allowance of one seer of rice per diem previously. That item having now died the allowance of Rs 2 per mensem should be treated as savings to the Chathram and not applied for other purposes

~~The Chairman which is situated at an important Railway station,~~ has a cash grant of only Rs 50-2-0 per mensem; and out of it Rs 40-8-0 are spent on Establishment, and an allowance of one seer of rice is given under the ~~authority~~ of Govt Pro: No 787 dated 30th January 1896, Mur 733-95 to Sri Chandramouleswara and Sri Anjaneya Temple at Poppahalli for the Chickmagalur Taluk. There is therefore balance of only about Rs 35/- available for the feeding of travellers, and I Govt observe that any amount saved should be used as savings for periodical repairs &c. ~~The amount~~ of

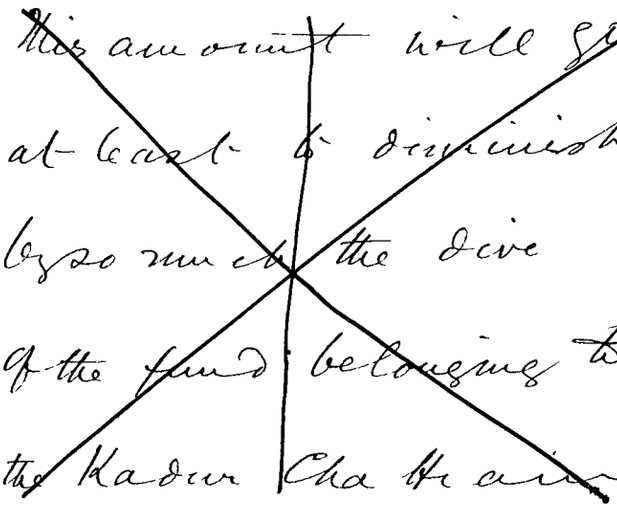
~~of Rs 24 is not also available~~

Government are not in favour of creating new allowances, particularly from Charitable funds which are required for the feeding of travellers and for repairs to the buildings concerned

4. As regards the 3rd item, the Govt. direct, under the circumstances explained by the Dy Comm., that the sum of Rs 60-2-0 per annum endowed to the Sri Channa Kesava Devam temple at Varikere, ~~[illegible]~~ should be resumed and transferred to the Chandra Mouleswara and Anjaneya

temples at Oopparalli

in the Chickmagalur Taluk, ~~the~~ a



~~this~~ amount will go ~~no~~ much
from
at least to diminish ~~the~~ the
going to those in
by so much the dive
of the fund belonging to
the Kadur Chatrain

The Govt regret that ~~there~~
under the above mentioned circumstances
~~cannot recognise any claims~~
it is not possible to do anything
for the Basavanhalli temple,
as recommended by the Dy Commr,
~~The Dy Commr is requested to~~
~~take action as above~~
~~and report the result~~
~~to Govt early.~~

READ—

Correspondence ending with Letter No. 58, dated 25th July 1903, from the Deputy Commissioner, Kadur District.

No. 1046-55—MUZ. F. 92-1892, DATED BANGALORE, 5TH NOVEMBER 1903.

ORDER THEREON.—The following three items of money taken from different taluks, of the Kadur District, have been asked for by the Deputy Commissioner in order to provide funds for the celebration of Ramotsavam in the temple of Sri Venugopalaswami at Basavanahalli, a suburb of the Chikmagalur Town :—

(i) Rs. 18 per annum, from the Kadur Annachattram, being the pay at Rs. 1-8-0 per mensem of the Devarpuje Brahmin's—appointment rendered vacant by the death of the former incumbent;

(ii) Rs. 24 per annum, from the same Annachattram being the pay at Rs. 2 per mensem of the Puranik, who is reported to have died;

and (iii) Rs. 10-2-0 per annum, being the cash Tasdik grant of the Channakesava Devaru temple at Tarikere, which amount is now being brought under savings on account of the idol being broken and no worship being performed in the temple.

2. As regards the 1st item, it is observed that Govindachar, son of the deceased Devarpuje Brahmin, has under Government Order No. 1068—Muz. F. 92-92, dated 20th November 1902, been appointed by the Deputy Commissioner to perform the service, and that amount is therefore not available.

3. As regards the 2nd item, it is found that in the revision of the Chattram made in 1898, this allowance of Rs. 2 per mensem was not included in the regular establishment charges but was given as a special case to the former incumbent, who had been getting an allowance of one seer of rice per diem previously. That man having now died, the allowance of Rs. 2 per mensem should be treated as savings to the Chattram and not applied for other purposes. Government are not in favor of creating new allowances, particularly from Chattram funds, which are required for the feeding of travellers and for repairs to the buildings concerned.

4. As regards the 3rd item, the Government direct that under the circumstances explained by the Deputy Commissioner, the sum of Rs. 10-2-0 per annum, endowed to the Sri Channakesava Devaru temple at Tarikere, should be resumed and transferred to the Chandramouleswara and Anjaneya temples at Ooppahalli in the Chikmagalur Taluk, a corresponding reduction being made from the rice allowance given from the Chattram to those temples.

5. The Government regret that under the abovementioned circumstances it is not possible to do anything for the Basavanahalli temple, as recommended by the Deputy Commissioner.
